FIG. 5(B)

FIG. 5(C)

FIG. 6(A) is a perspective view of a first embodiment of a device 100. The device 100 includes a housing 110 and a display 120. The housing 110 is formed by a front face 111, a back face 112, and side faces 113. The display 120 is disposed on the front face 111. The device 100 is shown in a perspective view from the front and slightly to the right. The housing 110 is shown with dashed lines indicating internal components or hidden edges. The display 120 is shown as a rectangular area on the front face 111. The device 100 is labeled with 100, 110, 111, 112, 113, and 120.
